Last Updated: **14-Sep-2019** DXCC: **1** States: **2** Grids: **2**

CALLSIGN REASON CODE

N2EME² Disagreement about placing beacons on WSJT calling frequencies. Called us "Luddites".

N4EME² Disagreement about placing beacons on WSJT calling frequencies. Called us "Luddites".

Note¹: Of course, nobody is under any obligation to allow me to work them but by all means please have the backbone to inform me if I am on your blacklist. *This will help to reduce needless QRM from me to you and for others that may be calling you.* Thanks, Bob!

Note²: 6M FT8 and/or MSK144 modes.
